

Blessings to you friends.

We are sending these photos so you can rejoice with us!

Our ministry feeds the hungry, clothes the needy and blesses the young and elderly alike. Whether it is giving food & gifts at the holidays, school supplies at back to school time or just one of our monthly truck outreaches, we exist to bless hurting people.

What is a truck outreach you wonder?

Our Big Green Truck has a mobile platform and is self contained with its own power and sound system. We go into the community with it and do puppet shows, play music and dance, sing with the kids, play games, face paint, serve free popcorn and snow cones, give free haircuts and much more. We load it up with groceries and bless hungry families. We give away toys and clothes, meeting the needs of many.

We are embarking into new territory. We have installed a video screen on the Big Green Truck with the intention of reaching our precious but hurting youth. Many are being misled into drugs and alcohol. Won't you help us?

We are asking for two things. First, simply place a \$5.00 bill in an envelope to the address below. We chose 5 because that means grace and we want the grace of God to be multiplied to you.

Second, could you e-mail/mail this to the friends and family in your address book?

Our plans are bigger than this. We want to get additional trucks and a facility to allow the youth to come and hang out in a productive and safe environment. As the \$5.00 bills come in, we will be able to do so. We are a non-profit organization so your donation of any size is tax deductible and we will provide you with a receipt.

Thank you so much,

Jose and Jody Davila (Pastors)
